HELP US TO HELP YOU.

1. Make a list of your questions or concerns.
2. List them in order, beginning with the **most important**.
3. Bring your list with you to your appointment.

REMEMBER

- Bring your medicine bottles with you to your appointment.
- Follow your doctor's instructions.
- Take all medicines as directed.
- DO NOT share medicines with others.
- Put unused medicines into trash (crush pills or pour liquids into kitty litter, coffee grounds, sand, or dirt. Do not pour down toilet or sink).
